**OLD BUSINESS:**

John Combs stated that the town ordered a new pump in March and inquired as to when it was going to be put in. Supervisor Hasenauer replied that he was waiting for Mr. Combs to return to work from his surgery to put the pump in. Mr. Combs feels that the pump should have already been put in. Supervisor Hasenauer said that he will call Egan Brothers as soon as possible to set up a date and time to put the new pump in.

Councilman Robert Seager asked John Combs how the sewer beds are holding up. John replied that the sewer beds are holding up pretty well and are staying dry, despite the rain that we've had.

Supervisor Hasenauer asked Councilman Robert Seager if he heard from Jack Dodson regarding the sewer beds. Councilman Seager stated that he has not heard from Jack, but will try again to reach him this week. Councilman Seager would like to use stone for the sewer beds because it is cheaper than sand and is lower maintenance. Councilman Seager also believes the town will have to purchase a recirculation pump.
